How do you make an elephant float? Ginger ale, ice cream, and one elephant!

Match the words with the clues provided. Once the match is made, the number of the correct clue is placed in the proper space of the square that is marked by the letter of the matching word. If the words and clues are matched correctly, the magic square columns, rows, and diagonals, will add up to the same number.

What did the zookeeper say when she saw four elephants in sunglasses coming over a hill? Nothing. She didn't recognize them. Using the Across and Down clues, write the correct words in the numbered grid below.

## ACROSS

- the movements of peoples within a country or from one country to another
- the part of the world known before the Americas were discovered
- old or unseaworthy ships used as a prison
- the act of getting rid of something
- statement of a witness
- slave trade that took place across the Atlantic Ocean from the 16th through to the 19th centuries.

## DOWN

- a person who receives assistance from a government or organisation to move to another country
- the entry of people into a new country
- to evict persons from their land
- a group of people who leave their native country to form in a new land a settlement subject to, or connected with, the parent nation
- the departure of people from their native countries
- prison workhouses for women convicts transported to Australia
- a policy or practice by which a country increases its power by gaining control over other areas of the world

13. a person who is wholly the property of another person
