PRINCIPAL'S REPORT

Welcome back to Term 4. I hope all students and staff had an enjoyable and relaxing holiday.

This term we welcome Ms Cassandra Turnbull to the Creative and Performing Arts Staff replacing Mrs Harridge whilst she is on maternity leave. Ms Turnbull is a trained dance teacher and is looking forward to working with our dance students and developing their performance skills.

A reminder that we also have a number of staff in relieving roles this term, including myself as Principal. The following are some key staffing positions that you may need to contact in relation to your child:

Relieving Year 7,9,11 Deputy Principal – **Mr Roy Goodenough**

Relieving Year 8,10,12 Deputy Principal – **Mrs Simone Byrnes**

Relieving HT Wellbeing 7,9,11 – **Ms Jodene Whitton**

Relieving HT Wellbeing 8,10,12 – **Mrs Fiona Davis**

Relieving HT Support - **Mrs Louky Parkes**

Year Advisors:

Year 7 – **Mr James Mackinnon**

Year 8 – **Ms Genevieve Henry**

Year 9 – **Mr Jarad Freebody**

Year 10 – **Ms Kate Pidgeon**

Year 11 – **Mrs Sue Fulwood**

Year 12 – **Mrs Erin Lawson**

All students in Years 7 – 10 were issued with their term diaries in the first two days of school. It is important that students are actively using their diaries and recording homework and assignments as well as reflecting on the learning that they have completed during the day. Diary use is much more

successful if parents are actively asking to see their child's diary and discussing with them what they are recording in it regarding their reflections on their lessons that day. If your child has lost their diary a replacement can be obtained from their Year Advisor. Senior students can also obtain a diary for use from their Year Advisor.

Parents can expect that over the next 5 – 6 weeks that students will have a number of assignments, assessments, topic tests and end-of-year exams that will contribute to their end of year grades and report outcomes. This data will also impact on student class placements for 2018. It is important that students are organised during this time and focussed on achieving their **personal best**. All students were told on the first day this term that the focus for them this term is achieving their **personal best** and they will be supported by teaching staff in learning strategies to help them be organised and effectively revise and study the various course content and skills they will require to complete class and homework tasks. If you have any concerns about your child engaging in their schooling then please do not hesitate to contact their Year Advisor or the relevant faculty Head Teacher on 43 900555.

Term 4 is always a busy term with many extra-curricular activities available for students to be involved in. Included in this newsletter is a term planner outlining dates of events that are known so far.

I look forward to everyone enjoying a productive Term 4 of study.

Yours in Education,

Mr Warren Welham
Relieving Principal
